Purpose and Audience:

The purpose of this Informational Memo is to inform all stakeholders of an upcoming Stakeholder engagement meeting on proposed changes to the State Supported Living Services (SLS) program.

Information/Procedure:

The State SLS program is a state-only funded program. The intent of this program is to support individuals with an intellectual or development disability, who have not been able to find supports through other means, such as a Home and Community Based Services waiver. Since there is a lack of direct regulations around the State SLS program there has been confusion and inconsistent implementation around the state.

The Department will hold a meeting on February 21, 2019 to gather stakeholder input on the design of the State SLS program. The meeting will be held from 2 p.m. to 4 p.m. at the Community First Foundation, 5855 Wadsworth Bypass Unit A, Arvada, CO 80003, rooms 1330-1630. There will also be a webinar option. Please follow this link, <https://cohcpf.adobeconnect.com/sls/>, on the day of the meeting. The phone number to call into is; 1-877-820-7831, Participant 706065#.
